The Friends of Evelyn Meador Library have pledged to work with the Harris County Public Library and the City of Seabrook to make our library a wonderful resource for our coastal community. Our fundraising efforts help purchase upgraded furnishings and equipment that are aesthetically appealing and enhance the overall quality of our library.

There are many levels of giving. As a 501(c)(3) organization, the library provides receipts for donations, all of which are tax deductible.

Please help us build a state of the art library for the citizens of Seabrook and the surrounding area. Your gift will make a lasting contribution to this community. If your gift qualifies for matching funds, please enclose the necessary forms.
